

# Giffard Drive Surgery

## FEEDBACK FORM

Thank you for attending the drop-in session regarding the draft proposals for the Giffard Drive Surgery redevelopment plans. You will have seen that it is proposed to extend the Surgery, thus increasing its size to provide us with:

- more consulting rooms,
- an improved waiting area,
- better access for all patients,
- allowing us to increase provision of NHS services closer to patients' homes,

all of which will benefit our patients and local community.

Please tell us what you think about the draft proposals in the Comments box below.

If you would like some feedback on your comments or suggestions and would like to be kept informed as the project progresses, please add your name and email address or home address below.
