

Giffard Drive Surgery Needs You Senior Practice Nurse

We are a friendly, 7 doctor practice with 9000+ patients within Farnborough. We have easy links to surrounding countryside and London and excellent local schools.

Due to relocation, we have a vacancy for an enthusiastic, motivated Senior Practice Nurse, who is willing to undertake general Treatment Room duties. A prescribing qualification would be useful, but not essential.

We are looking for a team player interested in all areas of health promotion such as respiratory, diabetes, sexual health, cervical cytology, travel and childhood immunisations. Essential qualities are flexibility, excellent communication and leadership skills and the confidence to deal with patients autonomously within your professional boundaries.

Salary is dependent upon qualifications and experience.

Claire Strong, Assistant Practice Manager, clairestrong1@nhs.net

Closing date is 10th October 2021
